This image shows three gold chains, each featuring a single oval medallion. The chains are made of a fine link pattern. The medallions are oval-shaped and have a textured, slightly mottled appearance. They are arranged in a triangular pattern, with one chain at the top and two below it.

18/507, 18k, 36"

This image shows two gold chains. One chain features a large, open oval ring as a pendant. The other chain features a large, open oval ring as a pendant. Both chains are made of a fine link pattern. The rings are large and have a smooth, polished finish. They are arranged in a triangular pattern, with one chain on the left and one on the right.
